Learning beyond the Classroom

Learning beyond the Classroom

Oughtibridge Primary School prides itself in the wide variety of activities on offer to the children, whether in school time through the use of the school environment (especially the woods), visits out of school, visitors into school, theme days and weeks or the opportunity to attend four residential visits in Key Stage 2 to extra-curricular activities before and after school. Weekly home learning is also set across the school in Literacy and Maths and often involves model making projects during school holidays.

After School Clubs

Learning does not stop at the end of the school day and many children participate in these activities. The benefits of such activities include:

- Trying something new
- Developing existing skills
- Making new friends
- Improving self-confidence and self esteem

Activities are run by members of the school staff - teachers and teaching assistants, who give up their much appreciated and valuable time at the end of the school day - or by external providers. Children taking part in these clubs earn points towards a Children's University certificate (bronze, silver and gold). Some children have 'clocked' so many hours that the 'University' has had to extend their range of achievement certificates to 'diplomas'!

Here is what a typical week of out of extra-curricular activities looks like

Time	Monday	Tuesday	Wednesday	Thursday	Friday
Breakfast		Multi Sports		Athletics	
AM lessons	Electric Guitar lessons	Electric Guitar lessons	Violin Lessons		
Lunchtime	KS2 Dinosaur Club KS1 Dance Club	Discoverers Y2 iPad Club Y5/6 Dance Club	KS1 Dinosaur Club Y3/4 Sewing Club		Orchestra
