

## What we did with the funds raised in 2013/2014

Money raised in the last school year has been utilised for the benefit of our children in many ways, including:-

Visit from Reindeers and Christmas Entertainer  
Coach to the Pantomime for the Y5/6 children  
Beauty and the Beast Performance for the whole school  
Tales of Mount Olympus Theatre Performance for KS2  
Contribution towards ipads  
£1,000 towards 101 Things day in the Summer term  
Cadbury's Creme Eggs for all the children at Easter  
Marathon Challenge medal for every child taking part  
Tour de France souvenir bag for every child  
End of Summer Term show  
Coumes Hall stage curtains (TBC)

SOS are so grateful that all events are supported by the children's parents, guardians, families and friends, as it means that even more additional treats or pieces of equipment can be bought. SOS believes that all of these things enhance every child's learning and their school environment, and this is the motivation for all the hard work required to organise all the fund raising events.
