

How you can help for free!

Some of our annual funding comes from the HSBC £ 4 £ scheme, where members of SOS who give their time to work with charities can claim money from their employees to help the charity's funds. Please check with your company's human resources or payroll department to see whether it offers a matching gift program. Many organisations do - but you have to ask them for the information!

To be eligible for the funding you usually "claim back" for the time you have committed to a charitable organisation - namely SOS! This does not mean running an event or fundraising activity, it can be as simple as attending the meeting or putting raffle tickets in envelopes.

SOS are collecting used stamps for charity. If you are able to donate any please send them to the school office.
