

Lottery.

Would you like to help raise funds for your child's school but do not have the time to actively get involved with the SOS group?

The SOS Lottery offers a simple and effective way for everyone to get involved.

WHY NOT JOIN NOW?

How the Lottery works is that you pay £1 per monthly draw up to and including August 2014. You will then be allocated a number which will be added to the next monthly draw. You may purchase as many numbers as you like. **Why not one for each member of the family?**

Each month a draw is made during the school assembly and a cash prize equivalent of 50% of funds collected for that month will be paid out to the winning number holder. It's that simple! Obviously the more people who choose to take part, the higher the winnings each month will be. The rules are printed on the reverse of this letter.
