

## Sports Premium Funding Statement 2013-2014

'Sports Premium' is a new funding package that has recently been announced by the government. They are providing schools with additional money over the next two years to support the delivery of PE and sports in school. The funding equates to £8000 plus £5 per pupil which in our case means an additional £9500 to spend on resources, CPD, specialist sports coaches and PE activities.

### Proposed Sports Premium spending 2013-2014

- Specialist PE teachers to work alongside teachers when teaching PE in order to support the continued professional development of the teacher and improve the quality of teaching and learning - £4000
- To allow time for teachers to observe best practice and reflect on their own practice - £500
- To pay for the professional development of PE subject leaders to allow them to attend training and network meetings - £1000
- To purchase whole school resources eg iMoves - £600
- To purchase PE equipment - £700
- To buy into the 'LINKs School Partnership' in order to facilitate competitive sports - £1000
- To provide the opportunity for children to learn to swim 25m (a statutory requirement)- £2500
