

P.E. AND SPORTING EVENTS

FIRST SPORTS DAY FOR Y3

The Y3 children really enjoyed their first KS2 sports day. The children enjoyed completing all the fun games and their first ever marathon!

Sports Day

Congratulations to our marathon winners from FS2 KS1 and KS2

We were lucky to have cracking weather for our Sports Day. It was a fabulous day with some wonderful sporting achievements.

Y5 Cycle Speedway

Congratulations to the Y5 children who attended the Y5 Cycle Speedway Event at Cookson Park Track on Tuesday 24th May, 2022.

They had to ride bikes at speed round the track with no brakes, showing great skill and determination.

Y6 Athletics

A group of Y6 children attended the Sheffield City athletics event where they competed in a range of track and field events. All of them were incredible and 5 of them got through to the finals! Well done Y6!

Y1 Visit the EIS

The Year 1 children had a fantastic time at The English Institute of Sport. They competed alongside children from schools around the city and they had a great time!

Y6 Fruit Kebabs

Y6 worked incredibly hard throughout their SATs week and we are incredibly proud of them! As a special treat, the Y6s made fruit kebabs!

FS2 Celebrate Platinum Jubilee

To commemorate the Queen's platinum jubilee, the children created flags, portraits of Queen Elizabeth II and even had a Royal visit from the Queen herself. The children really enjoyed tasting scones and practising our jubilee songs that we performed in front of parents and carers. A splendid day for all!

Welcome to our Summer Newsletter

Dear Parents/Carers

Welcome to our summer edition of our colour newsletter that showcases the exciting learning that has taken place in school! We've been blessed with fantastic weather and have certainly made the most of the outdoors, with lots of theme days and trips. It's been an absolute highlight to welcome so many parents and carers into school for performances and sports events. We've missed having you all in and it was wonderful that so many of you made the time to support us - thank you.

Well done to all the children who worked so hard during their various tests. Year 6 worked amazingly hard during their Key Stage 2 Tests, Year 4 took the Multiplication Tables check, Year 2 solved lots of tricky puzzles during their Secret Agent Training

Service week and Year 1 children took their phonics screening check. Our children were amazing and did us proud. There have been some stunning results achieved which are even more impressive given the challenges of the past two years.

It's been a really emotional end to term for me too as I am moving on to a new role in our Trust, Peak Edge. Seeing this newsletter reminds me of so many wonderful experiences that the children have had and I am grateful to our staff and families for making them happen. I'll really miss all of this, but know that many more exciting things are to come.

All the very best

Mr Jim Dugmore
Headteacher

Y3 Egyptian WOW Day

The Y3 children had a fantastic day learning all about the Ancient Egyptians. The children got to play a game found in Tutankhamun's tomb, complete a mummification and look at real artefacts.

Y6 Charity Bake Sale

A group of girls organised a small bake sale for Y6 to raise money for Cancer Research. Y6 were lucky enough to try lots of their delicious treats: brownies, banana bread cupcakes and biscuits! Well done girls!

Y5 at Kingswood

Year 5 had such a fantastic time at Kingswood Dearne Valley for their two-night residential. We crammed so many activities including archery, high ropes and buggy building! We also enjoyed singing songs around the campfire and playing games in the sun. Since we've come back to school we have been making our own websites all about the Dearne Valley Centre in our English lessons.

FS2 Chicks

In foundation the children have enjoyed their topic 'I wonder what that will grow into' and have had the opportunity to watch chicks hatch from their eggs. The children got very attached to the chicks and didn't want them to go.

Y1 Computing

The Year 1 children have enjoyed their lessons in the computer suite. They used their mouse and keyboard skills to play phonics games with their friends!

KS1 Yorkshire Wildlife Park

KS1 had an amazing time at the Yorkshire Wildlife Park this half term! The Year 2s loved learning about how animals adapt to their environments, and got up close and personal with giant snails, hissing cockroaches and even a snake!

FS2 Butterflies

This term we have investigated lifecycles. One of them being the lifecycle of a butterfly. The children saw caterpillars transform into their chrysalides before turning into beautiful butterflies. We also learnt that this process is called 'metamorphosis'.

Y4 Castleton

Y4NH and Y4BB had an amazing time on the Castleton residential with lots of walking, eating picnics, negotiating obstacles and visiting Treak Cliff Cavern.

Y5 Erasmus - Spanish Day

As part of our Viva Espana topic in Y5 and as part of the school's Erasmus project, we have been linked with CIEP Gerardo Diego School in Santander. We met (virtually) for the first time over Google Meet where children from CIEP Gerardo Diego School answered our questions about what it is like to live in Spain.

As part of our Viva Espana topic in Y5, we had a Spanish WOW day! We learnt lots about Santander, the Artist Miro, Flamenco dancing and Spanish festivals all around the world. Thank you, SOS for our WOW day.

Y4 Clifton Park Museum

Y4 had a fantastic time at Clifton Park Museum. The children were fully immersed in the Roman Army, they dressed up as Roman soldiers and examined genuine Roman artefacts which were found at the Templeborough Fort in Rotherham.

FS2 Seaside Workshop

To kick start Summer Term 2's topic, 'I wonder what's by the sea', we had a visit from Miss Lily from The Victorian Classroom company. She brought lots of old seaside memorabilia, toys and took us on a journey back to the Seaside in the past.

The children got the chance to dress up in Victorian seaside costumes and even had the chance to taste some Hokey Pokey ice cream. It was delicious! Thank you to SOS for our WOW day. The workshop was enjoyed by all.

Y4 Ecclesall Woods

In May, Y4 went to Ecclesall Woods where we learnt about habitats, camouflage, survival and lots more. We found and identified lots of creepy crawlies in the woodland and the pond habitats.

Y1 School Library Service

The Year 1 children have been using the School Library Service books to research their topic - Poles Apart. The School Library Service is a fantastic resource. They really enjoyed looking at the books and they found out lots of facts.
