Our team here at Larks and Foxes have had such a great summer term. It's been fun to see the children hanging out together after school, building dens, crafting and playing sports. We've designed football kits for the Euros, made bracelets and designed our own dream catchers.

We are very much looking forward to next year to see your construction projects, art work and to join in with your magical games and play.

We want to wish our Year 6 children all the best for the future and we look forward to welcoming our new starters.

## Welcome to our Summer Newsletter '24

Dear Parents/Carers

Well - the summer term has certainly flown by in a blur of visits, visitors and assessments. We have had more than our fair share of rain but we have also had many happy breaks and lunchtimes out on the field and the grass. We wish the sun had shone a little more though! The Sports Days were a particular highlight - it was wonderful to see all the children participating in the opening ceremony and then trying their best in all the events and finally in the Marathon! This newsletter highlights the fabulous learning experiences we have offered your children this

term. Teachers carefully choose these in order to capture the children's imagination and inspire them to find out more about all the different subjects. Thank you all for your donations to S.O.S this year which have enabled us to provide these wonderful experiences.

I hope you have a wonderful summer holidays and that the sun finally comes out to play. See you all in September!

Kind regards,  
Mrs Helen Adams
