Monday (10th) is our dress up day, children can come to school dressed up as what they would like to be when they grow up. We look forward to seeing all your outfits.

**Dare 2 be Different Day**

This will take place on 14<sup>th</sup> February. The aim of this day is to encourage creativity and individuality amongst our pupils. This is a special fundraising event for SOS and we ask for a contribution of £1 per child payable via the QR code on the leaflet attached to this Parentmail.

The pupils will have the opportunity to dress up however they like, wearing outfits, crazy hair, odd socks and accessories that express their unique style. We do ask that there are no face paints. It's a chance for the children to have some fun and embrace their individuality.

**Parent Book Look**

The book look will take place on Friday 14th February at 2.45pm. Parents and carers are welcome to come into school and look at their children's work. The main school gate will be open from 2:45pm.

**Larks & Foxes**

Sessions are now available to book for Spring 2 term.

**Afterschool club Activities**

The last session of Soft Archery for KS2 is on Friday 14th February.

## **Mental Health Resilience Assembly**

Our focus was on **Diversity and Difference**. During the assembly, we watched the video clip below.

[Differences and diversity | KS2 Citizenship | Primary - BBC Bitesize](#)

We're lucky to live in a country with so much diversity. But what is 'diversity'?

Diversity means a variety of differences that make us unique. People can be different in all kinds of ways. For example, I have brown skin and brown hair and my best friend has red hair and blue eyes.

You'll never meet a person who is exactly the same as you in every way. People have different appearances and identities but we also have so many similarities, which make us all equal! That's definitely something to celebrate!

Imagine how boring life would be if we were all the same! We can learn so many positive things from the differences we have.

Sometimes our differences might cause arguments or conflict, so having a better understanding of each other could help.

Our communities depend on people living peacefully and respectfully, so that everyone can feel they belong.

### **We then discussed:**

- We each have unique experiences.
- Understanding our uniqueness brings us together.
- When we are together, we are stronger.
