Dear Parents and Carers,

As we wrap up another fantastic school year, I wanted to take a moment to reflect on the wonderful memories we've made and to extend a heartfelt thank you for the incredible support you've shown.

First and foremost, we bid farewell to our Year 6 leavers, who are ready to embark on their next exciting journey. We are so proud of all they have accomplished and will really miss their bright smiles and enthusiasm. We are confident they will continue to shine wherever their secondary school journey takes them. Remember, you'll always be part of the Oughtibridge family!

We also say goodbye to Anna Martin, our dedicated KS2 teaching assistant, who is moving on to a new and exciting job. Anna has been a cherished part of our team, and her warmth and kindness have touched so many young lives. We wish her all the best in her new role!

A huge thank you to all you wonderful parents and carers for your unwavering support throughout the year. From your contributions to our SOS fundraising events to your help with home learning, your involvement makes a significant difference. Your kind words, thoughtful cards, and generous gifts have warmed our hearts and reminded us of the fantastic community we have here.

We're thrilled to celebrate the end-of-year SATs results, which are a testament to our students' hard work and the fantastic support system provided by both staff and parents. As you can see, our pupils continue to achieve well above the national average and this is thanks to our incredible staff, whose hard work and dedication have helped our students thrive. They have all gone above and beyond, and I couldn't be more grateful.

As we close the school gates for the summer, I wish you all a wonderfully restful holiday. May your summer be filled with fun, laughter, and cherished moments with your loved ones. Thank you once again for being such a vital part of our school community. We look forward to seeing everyone refreshed and ready for another exciting year ahead.

Warm wishes,

Mrs H E Adams
