Earrings in School

If your child is considering getting their ears pierced over the summer holidays, we kindly ask that this is done at the beginning of the break. From September, **all earrings must be removed for PE lessons**. New piercings require time to heal before they can be safely taken out, so early piercing ensures students can fully participate in PE when school resumes. Unfortunately, from September, children will **NOT** be able to use tape to cover their earrings. This is because tape is **NOT** a sufficient safety precaution. This is a change in the previous policy due to a recent Health and Safety review. Please consider this before you agree to your child having their ears pierced. Only small stud earrings are permitted - no hoops.

Please note: Students who are unable to remove earrings for PE will not be able to take part in the lesson and/or parents will be contacted to come and remove the earrings.

Reading Challenge and General Reading

The last count for the reading challenge will be on Monday 21st July. After this date, the reading challenge will finish for this academic year. Thank you to you all for your hard work with reading this year. All school reading books (including Read Write Inc phonics books) will be collected in across this week. If you find any books at home, please return them to school before the start of the summer holidays.

Please keep reading with and to your child over the summer holidays. Your local library will be running a reading challenge that you can take part in, you can read books you already have at home or you can read books online through your child's Oxford Owl account (please ask your child's teacher for their log on).
