Dear Parents and Carers,

This year we will be celebrating Harvest during the week of Monday 6th October. This year we will be donating our non-perishable goods to the S6 Foodbank and The Archer Project.

For several years, we have supported our local food banks and we've had a fantastic response. Food banks are helping more families than ever. With many families struggling to feed themselves right here in Sheffield, the harvest donations help the food banks to be well stocked, to ensure that no one goes hungry.

On Tuesday 7<sup>th</sup> October, The Archer Project will be talking to the children during assemblies about the important work they do to enable people to develop the tools to progress away from homelessness. They will also talk about how they offer donated goods to the people they support.

We would be incredibly grateful if the children were to bring to school one or two items of non-perishable goods (see the list below for suggestions) from Wednesday 8th October until Friday 17<sup>th</sup> October. Please note that donations are optional and any donations are to be handed to your child's class teacher.

- Crisps

Mrs Helen Adams
