Yorkshire Owl Experience Monday 3rd November 2025

Dear Parents,

We are pleased to let you know that on Monday 3rd November we will be welcoming the Yorkshire Owl Experience to FS2 who will be running a hands on workshop for both classes to enhance our learning this half term on nocturnal animals.

Children will be learning about what an owl eats, where they live and learning about the different species of owls and where they can be found. There will also be an opportunity for children to handle the owls if they wish. If you do not want your child to handle an owl please can you let their class teacher know.

In order for the workshop to take place we are asking for a payment of £3.10 per child to be made by via sims if we do not receive sufficient funds to cover the cost of the workshop by Friday 24th October then the session may not be able to take place.

We are sure that the children will really enjoy this enhancement to our learning and are looking forward to welcoming the owls into school.

Thank you for your support,

Miss Bennett, Mrs Holmes and Mrs Lindley
