## Key Stage One – British Isles Day

Dear Parents and Carers,

As part of our Spring term Geography learning, Key Stage One will be holding a British Isles Day on Thursday 22<sup>nd</sup> January. This will be a wonderful opportunity for the children to deepen their understanding of the United Kingdom and its rich cultural heritage.

Throughout the day, the children will:

- Learn about the four countries that make up the UK—England, Scotland, Wales and Northern Ireland.
- Take part in four engaging workshops, each led by one of our class teachers, exploring different aspects of life, culture and geography within the British Isles.

To help celebrate the occasion, children are invited (but not required) to come to school wearing colours from the flags of the UK. This could include red, white, blue, green or yellow. Please ensure that any clothing is comfortable and suitable for normal school activities.

We are looking forward to an exciting and educational day. If you have any questions, please feel free to contact us,

Thank you for your continued support.

Kind regards,

The Key Stage One team.
