Dear Parents and Carers,

Since we introduced Rocksteady a couple of years ago, many of our children have taken part and have really enjoyed the fun, band-style experience. For some, this has sparked a real interest in learning an instrument more formally.

To support this, we are looking to broaden our offer of music lessons in school. Alongside continuing to offer Rocksteady next term, we already provide piano, guitar and violin lessons, and we are now hoping to introduce small-group or 1:1 tuition in the following instruments:

- Recorder
- Flute
- Clarinet
- Saxophone
- Drums
- Singing

These lessons would give children focused, progressive musical instruction and the opportunity to develop their skills on a chosen instrument. Being able to offer these additional lessons will depend on enough families registering their interest.

If your child is currently enjoying Rocksteady and may be ready for more structured tuition, or if they have not taken part before but would like to begin learning an instrument, please let us know by completing the brief form by going to bit.ly/oughtimusic This will help us gauge interest and plan provision for next term.

Thank you for your support. If you have any questions, please feel free to get in touch.

Kind regards,

Stephi Dennis

Year 3 Class Teacher and Music Coordinator
