Foundation Stage 2
We're going on a Nature Walk!
Spring Term 1
Thursday 15th January 2026

Dear Parents/Carers

We're going on a 'Signs of Winter' nature walk on Thursday 15th January 2026 at 9.30-10.30/11.00am. We hope the walk will help the children learn about the changing seasons and be able to identify some of these changes whilst on our walk, as well as discussing familiar places in the village such as the doctors, shops, the park and their homes. We will be walking down through the village to Coronation Park where the children will be collecting lots of autumnal treasures to bring back to school and explore in the classroom. Depending on the weather, all children will need to bring a raincoat and suitable footwear such as wellington boots, that they can bring to school and get changed into. The day might be a cold one, so hats, gloves and scarfs are recommended. Please make sure that these are all name labelled. We will then head back to school for snack time. In order for the walk to go ahead we will need some parent volunteers to help safely chaperone the children to the park and to help them search for signs of Winter.

If you are able to come along and help, then please indicate below and return the form to your child's class teacher.

If you have any concerns or questions about the trip please come and speak to a member of the Foundation Stage Team who will be happy to help.

Yours Sincerely

The Foundation Stage Team.

Foundation Stage 2 Nature Walk- Thursday 15th January 2026

Child's Name _____ Class: _____

I am/not able to volunteer as a chaperone during this event.

Name of Chaperone if applicable: _____

Signed _____ Date: _____
