

Our topic is...

I Wonder What Moves?

English

We will be reading and writing about the story Emma Jane's Aeroplane. We will also be writing facts about different vehicles.

Mathematics

We are continuing to follow NCETM maths and will be working on ordering and sorting numbers, doubling, and knowing what odd and even numbers are.

Vehicles

In Reading this term the children will be reading Super Stories. We will choose one story each week and look closely at the background knowledge around the story, the vocabulary and then what happens in the story. This is early years reading comprehension.

In Phonics this term we will be continuing to consolidate our single letter sounds and special friends knowledge. We will be applying our sound knowledge into reading words and simple phrases.

School Trip

On Thursday 19th March, we will be visiting the Emergency Services Museum to look at different types of vehicles.

Foundation Subjects

We will be looking into the history of different vehicles, such as The Flying Scotsman. We will talk about explorers and how they have used vehicles to travel. We will draw maps for our vehicles to follow.

**Understanding
the
world**

We will be learning about what our body needs to stay healthy, including keeping clean, exercise, sleep and a balanced diet.

PSED

In PE this half term we will be working on a gymnastics unit, making shapes with our bodies balancing and jumping.

**Physical
Development**

We will be using observational skills to draw vehicles. We will be creating a moving vehicle made from junk modelling materials.

**Expressive
Arts
and
Design**
