Foundation Stage 2
Geography Fieldwork Week – Local Walk
Summer Term 1
Thursday 7th May 2026

Dear Parents/Carers

We're going on a local walk on Thursday 7th May at 9.30-10.30/11.00am. In preparation for Geography fieldwork week we will be taking the children on a walk through the village to Coronation Park where the children will be observing and taking photographs of the local landmarks to make maps of the village upon returning to school.

Depending on the weather, all children will need to bring a raincoat and suitable footwear such as wellington boots, that they can bring to school and get changed into.. Please make sure that these are all name labelled.

After visiting the park we will then head back to school for 11am. In order for the walk to go ahead we will need some parent volunteers to help safely chaperone the children to the park and to help them search for signs of

If you are able to come along and help, then please indicate below and return the form to your child's class teacher.

If you have any concerns or questions about the trip please come and speak to a member of the Foundation Stage Team who will be happy to help.

Yours Sincerely

The Foundation Stage Team.

Foundation Stage 2 Nature Walk- Thursday 7th May 2026
