Dear parents and carers,

Last week saw our annual Sports Days take place and we are now excited to share the results of these events with families. Children have been informed of the final totals in assembly today, and rosettes and medals will be shared with winners over the next few days!

There are a great many people to thank for the success of the two days! Thank you to SOS for providing refreshments and pastries over both mornings. As always, their continued efforts in fundraising help to provide such wonderful experiences for the children! Good luck to all those who have taken part in their special raffle over the two mornings. Thank you to Mr Sampson for his efforts in marking the field on particularly hot days in the lead up to the day! A further thank you must go to our Year 6 and Year 7 Sports Leaders who did such a fantastic job in leading the events so that all of our children could be engaged for almost 2 hours on each morning. All these children were a great asset, ably supporting, encouraging, managing, judging and scoring at the events as well as showing great support and encouragement during the marathons.

As you know the children were split into four colour teams. The children scored points at each event, and these have been calculated and checked. The results are as follows: -

FS2/KS1:

1 st – Green	1457 points
2 nd – Blue	1444 points
3 rd – Yellow	1429 points
4 th – Red	1388 points

KS2:

1 st – Yellow	3560 points
2 nd – Blue	3394 points
3 rd – Red	3225 points
4 th – Green	3102 points

The marathons once again saw our children rise to the challenge of a long distance run and it was fantastic to see the children and parents/carers alike cheering on all the runners. We had some nail-biting finishes, and the children overleaf will receive a medal in their respective assemblies.

We are so very proud of **all** our children and are pleased that even those who didn't 'win' accomplished their own personal goals and achievements. We certainly have some budding athletes at our school...superb sprinters, terrific throwers, amazing jumpers, determined long distance runners and fantastic sportsmanship throughout. We may even have a future Olympian in our community!!

Yours sincerely,

Mr Adam Butler and Miss Lisa Calderbank (PE Coordinators).
