Monday 21st September

Dear Parents and Carers

As part of our wider learning in the Autumn Term, we have arranged a trip to Weston Park Museum on **Thursday 15th October**. We will link our visit to our science topic – Animals and their habitats. As part of our visit, children will take part in a Habitats workshop entitled 'A Home for a Harp Seal.' Information received from Weston Park Museum states that children will 'See real creatures up close and will discuss why they make their homes where they do.'

The cost of the visit will be a voluntary contribution of **£14.97**, and this includes entry to Weston Park Museum, the workshops, coach hire and relevant insurances. This payment must be made via the 'Peak Edge' App by selecting the Payments option prior to the deadline of **Wednesday 7th October**. In the event that we do not receive enough voluntary contributions, it may be that we are unable to facilitate this trip.

Your child will need a healthy packed lunch for the day. If you would like a grab bag from school you can order one by indicating on ParentPay. In addition to this, your child will need to bring a waterproof coat and a backpack which will fit your child's packed lunch and water bottle in as there are limited storage facilities at the museum.

On the day of the trip, children can be dropped off and collected at the usual times as our trip and travel will fall within usual school hours.

We will require a small number of parent volunteers for this trip. If you are able to assist on this trip, please inform class teachers. Should we have too many parent volunteers, names will be selected and all volunteers will be informed in a timely manner.

Should you have any questions about this visit, please do ask class teachers for further information. In the event that you experience issues with the Peak Edge App please speak to the school office.

Thanks as always for your continued support,

The Year 2 Team
